A status report of current picture of the state along with the agenda of the meeting was presented.

Following Decisions were taken in the meeting by the Committee:

1. As per the provisions under the Act Importers/Manufacturers/Vendors/Sales firms etc. will send the Total number of USG machines sold in the State on Quarterly basis. A unique id and password will be issued to the Importer/vendors/sales firms for uploading the same on www.ukhfws.org website.

2. Importers/Manufacturers/Vendors/Sales firms etc. will also send the Total number of USG machines purchased under buy back scheme from the registered USG Centre in the State on Quarterly basis. A common format for both sale and purchase (including buy back) of the ultrasonography machines will be made for easy and timely reporting and will be uploaded on the ukhfws.org website.
3. A decision with mutual consent was agreed between the Importers/Manufacturers/Vendors/Sales firms etc. and the Committee members to make a website portal displaying list of Authorised & Registered Ultrasonography machine Vendors/sales Firms for selling the Ultrasonography machines in the Uttarakhand State (as the same practice is already being followed successfully in the Maharashtra State).
4. Decision was taken to empanel the Dismantling Companies for old ultrasonography machines (whether in working / non-working condition) purchased from registered ultrasonography centres for dismantle purpose. These companies will be Authorised & Registered for dismantling the old sonography machines in the Uttarakhand state; and will present the Affidavit before the State Appropriate Authority PCPNDT Uttarakhand that such & such machine has been purchased from the registered ultrasonography centre for the purpose of dismantling and the said machine with Serial No---, Make No---- and Model No-----Registration No--- has been dismantled successfully and it's no part (including probes & motherboards) has been left un-dismantled. The said company will be held responsible for any discrepancy if arises in future in regard of the said machine or its part found elsewhere.
5. The dismantling company will also send the list of the ultrasonography machines dismantled (purchased from Uttarakhand state) with Serial No---, Make No---- and Model No-----, and previous Registration No--- etc. to the State Appropriate Authority, Uttarakhand.
6. Importers/Manufacturers/Vendors/Sales firms etc. will ensure the sale of portable ultrasonography machine to centres which are providing in-house indoor patients services only and also send the list of Portable USG machines sold in the Uttarakhand state to the State Appropriate Authority, PCPNDT, Uttarakhand.
